Refunds

Show Cancellation: In the unlikely event the show is cancelled due to weather, The Virginia Classic exhibitors' entry fees will be reimbursed up to 75%. A blizzard forecast, or other severe winter weather forecast, would be the only reason for cancellation. Should it be necessary to cancel the show due to hazardous weather conditions, every attempt will be made to notify exhibitors no later than March 8th. **Refunds will be made only if the show is cancelled.** The show **cannot** issue refunds due to individual weather or personal problems.

Weather

March is unpredictable. You won't likely need fans to keep your alpacas comfortable. The nights are usually chilly if not cold. Expect highs during the day to be anywhere from 40° - 60°. Be sure to pack something warm and dry to wear. Current weather conditions are available on the web site. (www.llamalife.com/classic)

Medical Waste

ALL medical waste (needles, syringes, etc.) must be discarded in the appropriate containers located in each barn. DO NOT discard medical waste in stalls, manure pits, garbage cans or on the grounds.

Bio-Security

The Virginia Horse Center is one of the most bio-secure facilities you will occupy throughout your show calendar, as the stalling restricts animal contact with neighboring stalls. Please use common sense and courtesy when walking your animals around common areas.

Stalling

We'll be showing in the East Complex this year. There are 171 attached stalls. They will be assigned first-come first served based on receipt of payment. The rest will be stalled in the outter barns.

Panels extending from your stalls **will not be permitted** in front of interior stalls. If you wish to put panels up in front of your stall you must request an outside stall. Outside stalls are in a separate barn.

The stalls are 10' x 12' stationary horse stalls. Three sides are solid and roughly 8' high. The front is an open metal grid with sliding doors. The floors are dirt and electricity is available to each stall.

Bedding - Bedding is **required**. Mats, carpeting, shavings, kenaf pellets, cardboard bedding and straw are acceptable. Sod, sand, sawdust and newspaper are **not** permitted. Straw, shavings and cardboard bedding may be available for purchase. Please contact the Horse Center prior to arrival for pricing and availability.

Fees: All stalls are \$60. **Maximum capacity** for any stall is three (3) animals. Farms housing more than three animals to a stall will be charged \$50 for each stall violating occupancy rules.

Farm Displays - You will be allowed 3 feet out from the stalls for display purposes. Farm displays are encouraged. Limited display space in the vending area is available for \$125 for 10x10. (Ideal for those who wish to participate without bringing animals.)

Tack Stalls - Tack stalls are the same as standard show stalls and cost \$60. If you choose to share a tack stall with other exhibitors, please indicate who you'll be sharing with on your entry form so you will be stalled together.

Manure - All manure and used bedding from stalls or trailers must be placed in the designated areas. DO NOT discard manure in garbage cans. Stalls do not need to be cleaned before leaving.

Pets

All pets must be kept on a maximum 6' leash at all times and are the owner's responsibility. This is a county ordinance. Failure to comply will result in notifying Animal Control. **No pets** are allowed in the coliseum or in any office at any time.

Camper Hookup

Reservations will not be accepted. You'll pay for camper hook-up upon arrival. Water and electric. The horse center has 90 hook-up sites, so availability should not be a problem. Contact the Horse

Center directly with questions concerning a camper hook-ups.
